

Robert M. Cintron

Chief of Police

Village of Franklinville Police Department

The Franklinville Police Department strives to solve every crime that is reported to us. Having support from the community often makes that task easier to complete. If you have a surveillance camera(s) or Ring doorbell at your location (home or business) and would like to register them with us, please complete the registration form located at our website <https://www.villageoffranklinville.org/police-department.html>. Registering your camera or Ring doorbell not only helps deter crime, but also assists the Franklinville Police Department in its overall crime prevention strategy in your neighborhood.

This information will not be published publicly.

It will be stored securely at the Franklinville Police Department and may be shared with law enforcement only. Unless a crime occurs in your area, you will never be contacted regarding your cameras. If a crime does occur in your neighborhood, an officer may call or visit you to ask to check your video for possible assistance in the case. Police personnel, if necessary, may request a copy of any video captured by your camera(s).

You can print the form from our website and bring it to the police station to register your cameras, or if you prefer, you may download and complete the form and then mail it to the Franklinville Police Department, 101 N Main St Franklinville, NY 14737. You may cancel your registration at any time by contacting the Franklinville Police Department at 716-676-5697.

Thank you for your continued support! Together, we can make a difference in our community!
